ARRIVAL DAY

THE LAND OF ICE AND FIRE

When arriving at the airport the group is greeted by local guides that will take care of them for the day. Our first stop is in 30 min by the hiking trail to the Fagradalsfjall eruption location.

Depending there we will hike and explore the new lava and the eruption if it will still be going strong.

Once we return to the busses it is only about 50 min drive to the hotel where we will check in and freshen up.

Dinner transfer to Perlan venue is only about 8-10 min. and there we will have the venue just for us.

After the private party we head to the new open Sky Lagoon to soak the day away before returning to the hotel for a very good night sleep.

Please note - we can change the program and just go to the Sky lagoon before check in or have dinner later. All depending on what would fit the group the best

Perlan Venue

Perlan Restaurant is a unique revolving restaurant. The floor makes a 360° rotation, ensuring an ever-changing backdrop against guests' tasteful dinner. The restaurant focuses on seasonal ingredients where Icelandic culinary traditions meet classic European cuisine. Dishes with a nostalgic flair and only the best available ingredients from Icelandic producers.

Emphasizing simplicity, quality, and atmosphere.

The restaurant is perfect for those who want to experience great food while taking in the breathtaking view.

Perlan can take up to 200 guests in seated dinner and bigger groups in a standing private party where we use the museum as a part of the venue as well.

SKY LAGOON

GEOTHERMAL WONDER

A thermal spa inspired by nature & culture.

Immerse yourself in warmth at our oceanside geothermal lagoon. The dramatic North Atlantic Ocean stretches out before you. Above, glowing sunsets and stormy skies dazzle, and sometimes the dancing Northern Lights put on a stunning all-natural show.

Sky Lagoon is about that Icelandic feeling of warmth and wonder. Join us for rejuvenation and inspiration at the edge of the world.

The traditions of bathing culture are integral to the Icelandic way of life, and they're at the core of the Sky Lagoon experience.

A Culinary Journey Through Iceland
Sky Lagoon offers three distinctively Icelandic taste experiences designed to complement your visit. Our menu and beverage offerings enliven your taste buds and refresh your palette while connecting you to the flavours of this spectacular landscape.

Let your mind drift at Lagoon Bar
Enjoy an Icelandic beer or local drink right where the sea meets the sky. Tucked in the side of a cave at the far edge of the Lagoon, join us when the time is right for you, and relax and linger as long as you'd like.

The lagoon can be rented out private, it has 500 lookers

DAY 2 THE GOLDEN CIRCLE ADVENTURE DAY

SUPER JEEP ADVENTURE

the Super jeeps will be parked as close to the hotel as possible where the group will get in to those stunning jeeps and head out to the Golden Circle that is by far Iceland's most famous attraction. The stunning circle has 3 main parts, at Thingvellir National Park, Geysir geothermal area, and Gullfoss waterfall.

The group gets to pick one activity to add to the day

- Snowmobiling at Langjökull glacier
- River Rafting in Hvítá river
- Horse riding
- ATV bikes
- Snorkeling in Silfra
- A history and culture tour that will visit the Greenhouse Friðheimar

Once the group arrives back in Reykjavík they get a bit of time to freshen up and relax before going out to a dinner in the capital of the North

Harpa Venue

Harpa is one of Reykjavik's greatest and most distinguished landmarks. It is a cultural and social centre in the heart of the city and features stunning views of the surrounding mountains and the North Atlantic Ocean. Harpa is an enchanting destination for intrigued travellers and its grand-scale award-winning architecture has attracted 10 million guests since its opening, May 4, 2011.

The venue offer many different location that could fit many different group sizes.

Silfurberg

Silfurberg is a large conference hall on the second floor, with theatre style seating for an audience of up to 840. The hall can also be divided into two spaces – each accommodating 325 seated guests – with a soundproofed retractable partition. For dinner, both rooms can take up to 550 guest

Silfurberg is linked to Norðurljós hall by two soundproofed portals, allowing the halls to be connected for larger events. The stage is also movable and expandable.

The name of this hall Silfurberg, is the Icelandic term for Iceland spar, a transparent variety of calcite that can mainly be found in the East fjords of Iceland. It is the only hall of the four that is non-acoustic. It is meant for activity that need amplification, whether spoken word or music. It is a hall of 840 m².

DAY 3 WHALE WATCHING

WHALE WATCHING

This day we will start by enjoying a awe inspiring whale watching tour before a fun street food lunch by the harbor.

The drive to the airport is only about 60 min from the hotel, we recomend beeing around 2,5 hours before the flight departs.

Whale watching

We will rent out 3 boats for this private adventure, Andrea, Lilja and Rósin
The tour is around 3-3,5 hours depending on where we need to go on that day.

On a Whale Watching tour from Reykjavik you will be able to experience some of Iceland's rich and thriving bird life, as well as visit our large variety of sea-life, including minke whales, humpback whales, harbour porpoises and white-beaked dolphins among other whale species.

it is possible to add catering in the tour if needed.

Reykjavík street food

Only a few min walk from where the whale watching boats land we can have our own out door food festival - at the moment I am getting a few prices down and will send you as soon as I get better infomation
