A MICE EXPERIENCE

An Enchanting Location on the water

WELCOME TO THE CA' DI DIO

The fascinating history of this Palazzo began in 1272, and it has undergone many changes over the years. However, it has always stayed true to its vocation: hospitality.

Today, it has reached dazzling new heights as a luxurious 5-star hotel. Restored and redesigned by the architect Patricia Urquiola and her team, it now showcases a distinct and authentic "Venetian" aesthetic, exemplified through the careful selection of materials, colors, and finishing touches in each room.

Ca' di Dio is a prestigious member of the Vretreats Luxury Collection, encompassing serene havens, timeless structures, and enchanting locales renowned for their warm Italian hospitality.

ROOMS

The 57 suites and 9 deluxe rooms are all united by a cohesive design - wainscoting, textiles and wooden cornices complement the city views, completing each room's relationship with the outside world.

Many of these suites enjoy unique views of the island of San Giorgio Maggiore, and two of them boast large roof terraces overlooking the San Marco basin: the ideal location for exclusive aperitifs and dinners with panoramic views of the beautiful Venetian Lagoon.

EVENT SPACES

Set apart by its welcoming atmosphere and flawless Venetian style, the Ca' di Dio offers a series of elegant and functional indoor and outdoor spaces, ideal for private and corporate events, cocktails, small meetings and presentations.

The venue, with its charming courtyards, is also an enchanting choice for Venetian-inspired wedding receptions, where mesmerizing light displays and timeless elegance create an unforgettable experience for guests.

Elevating its event offerings, Ca' di Dio provides exclusive access to additional spaces within the Circolo dei Sottoufficiali della Marina Militare di Venezia, housed in the historic Arsenale's former kilns. Conveniently connected to the hotel via an adjacent calle, this location features three distinct meeting rooms: Sala dei Forni, for 60 guests, and two elegant pergolas, seating 70 and 40 guests respectively.
