# A MICE EXPERIENCE

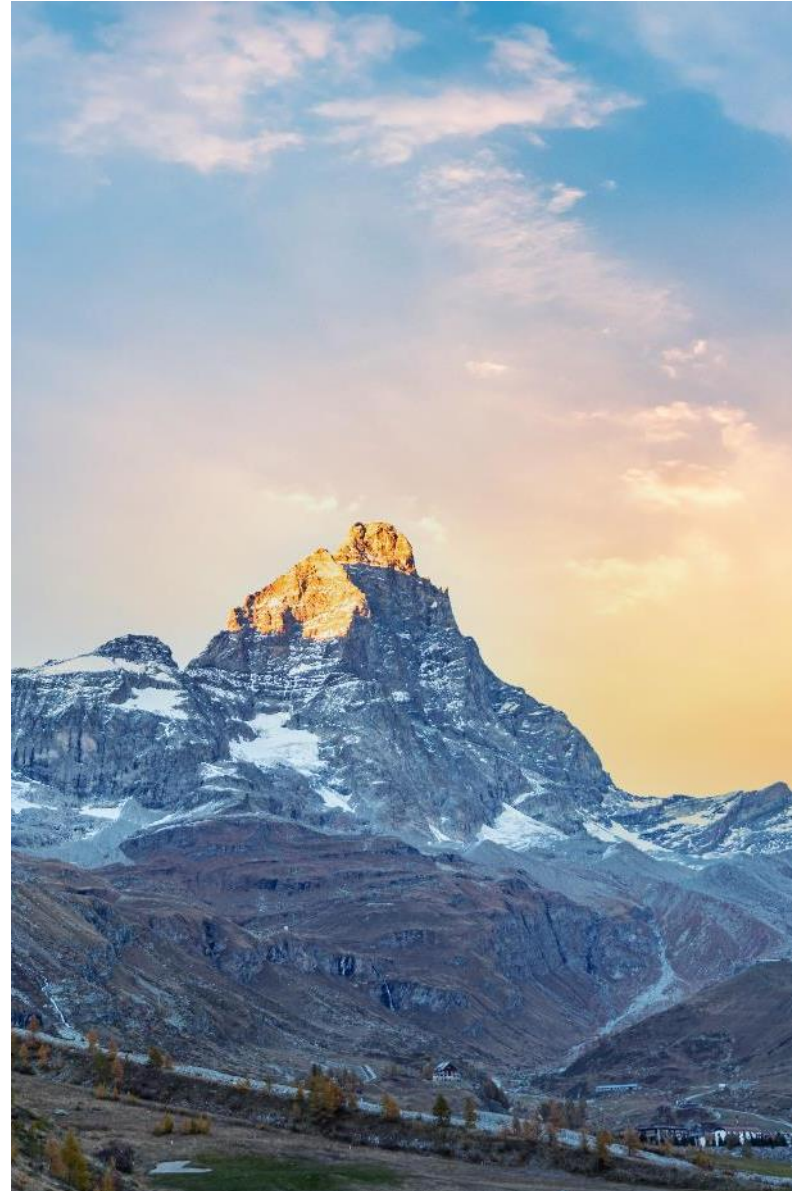

Where beauty frames your event

# WELCOME TO CERVINIA

Cervino is located at the foot of the "Gran Becca", an exclusive location where all your wishes come true.

After immersing yourself in nature by skiing up to Zermatt and exploring the glaciers of the Matterhorn and the historic routes of Valtournenche, seek a relaxing escape in our SPA - a unique and refined environment situated at foot of the imposing mountain.

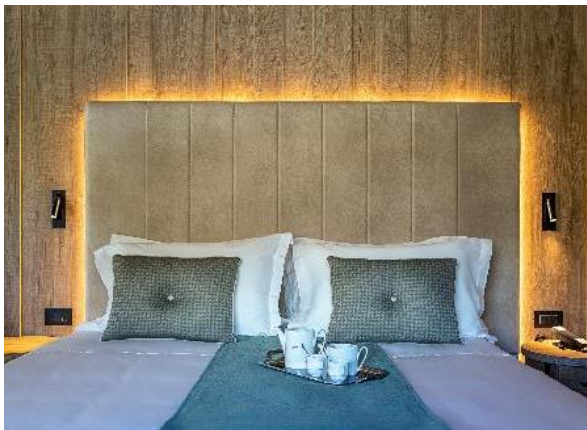

## ROOMS

66 rooms at your disposal, all of which offer a perfect balance between classic and modern, enriched with charming details and wooden finishes - a refined coexistence between mountain style and contemporary spirit.

# MEETING SPACES

The hotel has a meeting room for up to 150 participants, ideal for any type of event, that will be even more special thanks to an incredible mountain view.

In addition, there are private spaces and more intimate rooms for small get-togethers and informal business meetings.

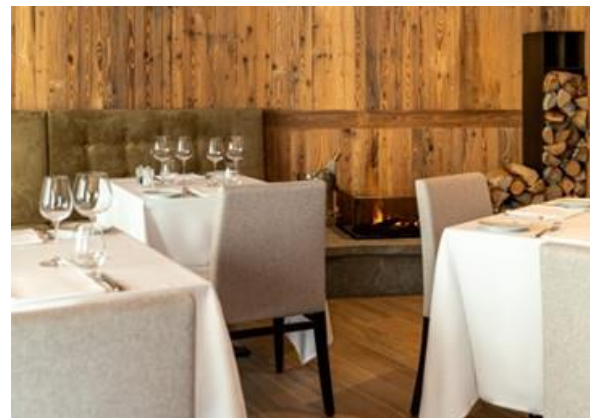

## RESTAURANTS

The *Panorama* restaurant offers exquisite dishes that unite the traditional cuisine of the Valle d'Aosta with an innovative approach to gastronomy.

Refined, high-quality dishes that preserve typical flavors of the past and arise from the deep bond with the Italian tradition, a unique experience brought together by the restaurant's breathtaking panoramic view.

The *Abri* Restaurant, with its all-wood furnishings and fireplace, offers the ideal cozy mountain ambiance. The restaurant offers an à la carte menu with typical dishes from the Aosta Valley.

## “ZERO” LOUNGE BAR & BISTROT

A lavish area inside the lobby is home to the “Zero” Lounge Bar & Bistro, where you can sip delicious cocktails while enjoying the impressive view of the Matterhorn.
