A MICE EXPERIENCE

Rome is not a city like any other. It is a large museum, a living room to be crossed on tiptoe
(Alberto Sordi)

WELCOME TO THE DONNA CAMILLA SAVELLI

A small architectural jewel in the heart of Trastevere, the Donna Camilla Savelli was built inside a 17th century convent, designed by the famous architect Francesco Borromini in 1642.

After careful restoration work, the convent was transformed into a luxury hotel with an incredibly elegant garden in 2008, located in the heart of Rome.

Donna Camilla Savelli is the ideal location for unforgettable events that lets you discover Rome from a different perspective.

ROOMS

The 94 rooms and suites, converted from the convent cells, exhibit all of their historic splendor and with the beamed ceilings and antique furniture, convey the elegance and authenticity of a timeless luxury.

The hotel's flagship is the Premiere Suite, adorned with an antique rose window, a remnant of the ancient convent and adjacent church.

The Donna Camilla Savelli offers comfortable lodging in an elegant and refined setting, making it the ideal choice for your stay in the Capital.

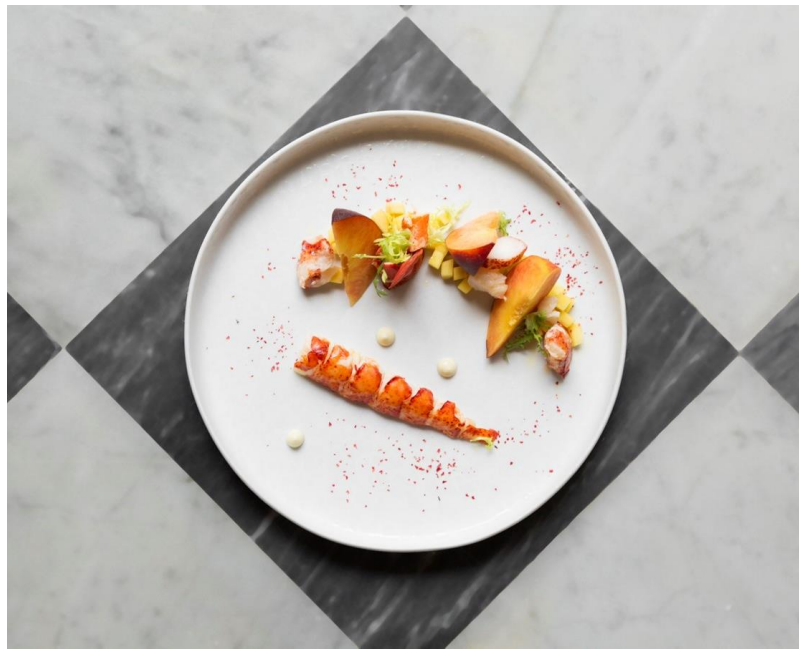

MEETING SPACES

«CONTEMPO» RESTAURANT

With its 45-seat capacity, "Contempo" provides a delightful culinary experience for all five senses, transporting guests back in time with mouthwatering à la carte dishes.

BANQUETING

Elegance, hospitality and meticulous attention to detail:

Events at the Donna Camilla Savelli are truly unforgettable, whether in the ancient refectory or in the elegant entrance lunette, embellished with paintings by 18th-century Roman masters.

The Borromini Hall can host receptions, gala dinners or banquets for up to 130 guests.

SAVELLI TERRACE

The terrace overlooking the rooftops of the capital is the perfect setting for cocktails or an exclusive dinner, giving the guests the spectacular view of the Eternal City, where, at nightfall, they become privileged spectators of a truly breathtaking scene: Rome painted in lights.

THE CLOISTER GARDEN & CITRUS ORCHARD

Two more splendid and unique locations, the garden and the adjacent citrus orchard, are ideal spots for parties and special occasions.

Dating back to the end of the 1800s, its baroque fountain was filled for centuries by the water from the Fontana dell'Acqua Paola, fetured in the famous movie 'La Grande Bellezza'.
