WELCOME TO PALAZZO GATTINI

Palazzo Gattini is a historic palace that once housed one of the most prominent noble families of Matera, the Counts of Gattini.

Located in the heart of the city's historic center, it offers an elegant and prestigious setting where modern comforts are seamlessly integrated.

Architect Ettore Mocchetti masterfully renovated the interiors, preserving their splendor while breathing new life into them through meticulous attention to detail. The *mazzaro*, a local stone used for the interior cladding, creates a deep connection between guests and the material, transporting them to an ancestral past and allowing them to fully immerse themselves in the history of Matera's ancient districts.

ROOMS

The hotel features 20 rooms, each distinguished by elegant furnishings, vaulted limestone ceilings, and design details that honor local tradition.

Every room is unique, offering a warm and welcoming atmosphere with a harmonious blend of ancient materials and modern technology.

The refined ambiance and meticulous attention to detail make the rooms at Palazzo Gattini the perfect choice for those seeking a luxurious and historic stay, immersed in the magic of Matera.

MEETING SPACES

The small Malvini-Malvezzi Church, adjacent to Palazzo Gattini, was once the private chapel of the Gattini family, reserved for intimate religious ceremonies. This unique and beautiful space has been transformed into a meeting room equipped with the latest audio and video technology.

While preserving its ancient splendor and sacred atmosphere, it is now an ideal venue for business meetings, conferences, and cultural events that captivate those who appreciate the fusion of history and modernity.
